

Midland Region Clinical Governance – 29 February 2012

Notes from Presentation by Ian Goulton

Background (MRCSP) – Slide 2

- 2012/2013 Regional Services plan is more detailed with 130 pages

Regional Objectives – Slide 4

- IT driven by clinical need

Governance – Slide 5

- Within the Midland District Health Boards there are 11 networks each with priorities
- Refer to MDHB Performance framework for the 11 networks

S:\LDHB Planning &
Funding\Midland Regi

Steering Group Membership – Slide 6

- Part of role is to advocate for clinical networks
- Facilitation – so things don't get lost in the mix
- Huge Industry support regionally
- Work programme to be met

Service Priorities / Organisational Structure – Slide 8

- Mental Health sits under “Clinical Services Co-ordination” the following clinical networks are being managed as follows:
 - Cathy Taylor
 - Elective Services, Maternity, Renal, Cardiac & Rural Health
 - Ian Goulton
 - Cancer & Mental Health

MRCSP Service & Infrastructure Priorities - Leadership – Slide 9

- Each of the Service priority areas has a clinical chair, along with representation from nursing, midwifery (for maternity) primary care and DHB managers
- MRCG to consider representation on this group
